ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

The Lexington Housing Authority operates three public housing complexes and a Section 8 Rental Assistance Program in the city of Lexington, NC and Davidson County. The mission of the housing authority is to establish and preserve a quality living environment for low and middle-income families in and around the city and the county, by providing safe, decent and affordable housing. The Five Year Plan set forth goals and objectives that will yield the accountability of the Lexington Housing Authority in reaching these goals. The Lexington Housing Authority presently has an active waiting list for both Public Housing and Section 8 Rental Assistance Program. The Section 8 Rental Assistance Program has expanded by ninety-two vouchers beginning in October 2001. Capital Improvement of the three Public Housing units have been feasible because of the Capital Fund Grant (attachment NC19P039). The agency has established partnerships with the necessary resource agencies in the county and surrounding communities in order to promote self-sufficiency for the residents of Public Housing and the Section 8 Rental Assistance Program. The Section 8 Housing Choice Voucher Homeownership Program is being implemented for the Section 8 Participants. Twenty-five percent of the Public Housing Residents have enrolled in Programs for employment training and educational training through the local community college, Career Connection and Davidson County Employment and Training. The Lexington Housing Authority in partnership with the Lexington YMCA offers a tutorial program for the school age children in all three public housing communities. The goals and objectives stated in the Five Year Public Housing Plan are measurable and verifiable.

Attachment A – Admission Policy for Deconcentration

A. The following is an extraction from the Housing Authority's Public Housing admissions and Continued Occupancy Policy concerning Deconcentration:

The Housing Authority shall endeavor to maintain a cross-section of income in its Public Housing communities by the deconcentration of families with incomes below 30% of the area median income and make every effort to meet requirements for income mixing. The Housing Authority shall continually examine and maintain records that compare relative tenant's income in each community to ensure deconcentration of poverty. Offers of housing all new admissions will be made based upon the relative mix of the community's current asset.

The Housing Authority may offer incentives to eligible families to locate in certain communities within the Housing Authority that income mix does not meet the area median income. Additionally, the Housing Authority may utilize the practice of skipping a family's name on the waiting list when necessary to accomplish the necessary income mix when offering a specific unit in a public housing community. Such necessary skipping will be specifically documented in the resident's file and on the waiting list control.

Statement of Progress in Meeting Five-Year Plan Goals

The Lexington Housing Authority operates three public housing complexes and a Section 8 Rental Assistance Program in the city of Lexington, NC, and Davidson County. The mission of the housing authority is to establish and preserve a quality living environment for low and middle-income families in and around the city and the county, by providing safe, decent and affordable housing. The Five-Year Plan sets forth goals and objectives that will yield the accountability of the Lexington Housing Authority in reaching these goals. The Lexington Housing Authority presently has an active waiting list for both Public Housing and the Section 8 Rental Assistance Program. The Section 8 Rental Assistance Program has expanded by ninety-two vouchers beginning in October 2001. Capital Improvement of the three Public Housing units have been feasible because of the Capital Fund Grant (attachment NC19P039). The agency has established partnerships with the necessary resource agencies in the county and surrounding communities in order to promote self-sufficiency for the residents of Public Housing and the Section 8 Rental Assistance Program. The Section 8 Housing Choice Voucher Homeownership Program is being implemented for the Section 8 Participants. Twenty-five percent of the Public Housing Residents have enrolled in programs for employment training and educational training through the local community college, Career Connection and Davidson County Employment and Training. The Lexington Housing Authority in partnership with the Lexington YMCA offers a tutorial program for the school age children in all three public housing communities. The goals and objectives stated in the Five Year Public Housing Plan are measurable and verifiable.

“Substantial Deviation” and “Significant Amendment or Modification”

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans; Final Rule issued on October 21, 1999 is very specific with respect to the information a PHA must provide in its Agency Plan. Part 903 Section 7 (r) (2) states that a PHA must identify the basic criteria the PHA will use for determining:

- A. A substantial deviation from its Five-Year Plan; and
- B. A significant amendment or modification to its Five Year Plan and Annual Plan.

Notice PIH 99-51 states that PHAs must define the terms “Substantial Deviation” and “Significant Amendment of Modification” by stating the basic criteria for such definitions in an annual plan that has met full public process and Resident Advisory Board review.

HUD considers the following actions to be Significant Amendments or Modifications:

- A. Changes to rent or admissions policies or organization of the waiting list;
- B. Additions of non-emergency work items (items not included in the current Annual Statement or Five-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- C. Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

PET POLICY

LEXINGTON HOUSING AUTHORITY

The Lexington Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. This policy does not apply to animals that are used to assist persons with disabilities. Only common household pets such as a dog, cat, bird, rodent (including a rabbit), and fish in aquariums or a turtle will be allowed in the units.

All dogs and cats must be spayed or neutered before they become six months old and a licensed veterinarian must verify this. No animal may exceed 20 pounds in weight projected to full adult size. The pets must be properly inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances.

The number of pets allowed is based on the bedroom size. One pet is allowed for zero and one-bedroom units. Two pets are allowed for two or more bedroom units.

A pet deposit of \$150.00 is required at the time of registering the pet. A separate deposit is required for each pet except for residents who have an aquarium that is less than ten gallons in capacity.

Any resident who owns or keeps a pet in their dwelling unit will be required to pay any damages caused by the pet above the pet deposit amount including insect infestation. The pet owner shall assume sole responsibility for liability arising from any injury sustained by any person that is attributable to an owner's pet.

The pet and its living quarters must be maintained in a sanitary manner and not be a nuisance or threat to the health or safety of other occupants of the community, Housing Authority employees or agents of the Housing Authority.

Attachment J

Implementation of Lexington Housing Resident Community Service Requirements

Beginning October 1, 1999, and then with the reinstatement effective October 1, 2002, anyone living in public housing who is under the age of 62, not employed or not engaged in an economic self-sufficiency, job training or educational program must complete eight (8) hours each month of voluntary Community Service. The tenant who qualifies for this will need to choose an organization approved by the Lexington Housing Authority and make arrangements to be a volunteer with that organization. A Community Work Service Form must be filled out and submitted no later than thirty (30) days from the scheduled appointment/entrance date. The contact person at the organization will need to initial the community service work log that will be presented to the Occupancy Specialist at the annual examination as proof that the tenant is fulfilling their community service obligations.

Community Service is the performance of voluntary work or duties in the public service agencies to improve the quality of life and/or enhance resident's self-sufficiency, and/or increase the self-responsibility of the resident within the community in which the resident resides. Political activities are excluded.

Exemptions to this requirement are if the tenant is 62 years or older, has a vision impairment or other disabilities as defined under 2169(1)(1) or 1614 of the Social Security Act (42 U.S.C. 416(1)(1): 1382(c), who is unable to comply with this section or is a primary caretaker of such individual, is engaged in a work activity as defined under section 407(d) of the Social Security Act (42 U.S.C. 607(d) or under any other welfare program of the State of North Carolina or is in a family receiving assistance under a state program funded part A of Title IV of the Social Security Act (42 U.S.C. 601 et seq.) or any other welfare program of the State of North Carolina.

The tenant could lose their housing assistance if they are not exempt and do not perform the eight hours each month of volunteer work as defined under section 407(d) of the Social Security Act as of 7/1/1997.

Homeownership Program Capacity Statement

Housing Urban and Development (HUD) approved the Lexington Housing Authority (LHA) Section 8 Homeownership Program Administrative Plan to operate a homeownership program in Davidson County. The program will permit eligible participants in the Section 8 Housing Voucher Program, including participants with portable vouchers, the option of purchasing a home with their Section 8 assistance rather than renting. Participation in the program is voluntary. The family must be a first-time homeowner or have a member who is a person with a disability or disabilities.

The homeownership option is limited to two percent (2%) of the total number of the Section 8 Voucher Program administered by the LHA in any fiscal year, provided that the disabled families shall not be subject to that limit.

The homeownership assistance may be used to purchase new or existing homes of various types.

The participants must meet the homeownership counseling requirements prior to commencement of homeownership assistance.

The proposed financing terms must be submitted to and approved by Lexington Housing Authority prior to close of the escrow. Certain types of financing, including but not limited to, balloon payment mortgages, unless convertible to a variable rate mortgage are prohibited and will not be approved by the Lexington Housing Authority. Seller- financing mortgages shall not be considered by Lexington Housing Authority. If a mortgage is not FHA-insured, the Lexington Housing Authority will require the lender to comply with generally accepted mortgage underwriting standards consistent with those of HUD/FHA, Ginnie Mae, Fannie Mae, Freddie Mac, North Carolina Housing Finance Agency (NCHFA), USDA Rural Housing Services, the Federal Home Loan Bank or other private lending institution.
